Address: Mymensingh, Mymensingh, Bangladesh.

Nationality: Bangladesh

I'm Nayeem,I am a Frontend Developer.I'm a dedicated Junior Frontend Developer driven by a passion for creating visually stunning and user-friendly web interfaces. My expertise spans HTML, CSS, JavaScript, React.js, Node.js, Express.js, Firebase, MongoDB, and Tailwind CSS. With a strong focus on design and an ongoing commitment to enhancing my skills, I strive to deliver seamless and engaging user experiences. I have been involved in web development for several days. I am still learning. I have also done several projects. Still doing the project. My dream is to become a MERN stack developer. Inshallah that dream will be fulfilled very soon.

Passionate about creating beautiful, responsive web interfaces, and delivering seamless user experiences. Experienced in working with modern web technologies and continuously expanding expertise to stay ahead in the field.
